**STATEMENT OF THE SUBSTANCE OF THE INTERVIEW,
COMMUNICATION IN RESPONSE TO EXAMINER AMENDMENT of March 26, 2010**

SIR:

In response to the Examiner Amendment and Interview Summary (for the examiner-initiated interview of March 22, 2010), all of which were mailed on March 26, 2010 (the one-month response date for which is April 26, 2010)), our comments are as follows:

Remarks begin on page 2 of this paper.

REMARKS

On March 22, 2010, it is believed that Examiner Ajibola Akinyemi initiated a phone call with Aaron C. Deditch (Reg. No. 33,865) to offer certain proposed amendments to the claims and to cancel claims 23, 26 and 29 to allow the case.

Examiner Akinyemi advised that he would allow the case if claims 23, 26 and 29 were canceled.

As explained above, the Examiner's characterizations in the Amendment and Interview Summary are agreed with to the extent understood as to the cancellation of claims 23, 26 and 29 (and the withdrawn claims) to allow the case. Claims 30 and 34 are allowed.

The Interview Summary procedures are documented and explained in the M.P.E.P. At 713.04 (pages 700-182 to 700-186).

It is believed that this response satisfies the request for Applicant to file a Statement of the Substance of the Interview (see pages 700-184 and 700-185 of the M.P.E.P.).

CONCLUSION

In view of the foregoing, it is respectfully submitted that all of the pending claims are allowed in view of the Notice of Allowability of April 20, 2010. It is therefore respectfully requested that the present application issue promptly.

Respectfully submitted,

Dated: April 26, 2010
